

20TH ANNIVERSARY GALA DINNER

Our Gala Dinner was a truly memorable evening, bringing together friends, partners, and supporters in celebration of 20 years of Nampharm Foundation. The event was a resounding success, filled with joy, purpose, and meaningful connections. After many months of planning, it was wonderful to see everything come together so beautifully. We are deeply grateful to everyone who joined us and helped to make this 20-year milestone such a special celebration.

Ladies Hiking Adventure 2025

In June, a group of sixteen took part in our Ladies Hiking Adventure at the coast, and it was an unforgettable experience.

The adventure was not only filled with laughter and memorable moments, but it also played a meaningful role in raising awareness about our foundation and generating funds for the Foundation children.

With the generous support of Travel Uncharted, we explored the beautiful Swakop River and the breathtaking landscapes of Sandwich Harbour. It was a truly inspiring journey shared with a remarkable group of women, united by purpose and compassion.

IN JULY, WE CELEBRATED WORLD CLEFT LIP AND PALATE AWARENESS MONTH!

To mark this important occasion, we hosted our Annual Awareness Walk, and it was a great success.

The day was filled with laughter, bright smiles, and joyful hearts as we joined together to raise awareness about cleft lip and palates.

New Partnerships

We are very excited to announce that IVL Foundation, Alexforbes and Old Mutual have come on board as partners of our foundation.

We are truly grateful for your support and the trust you have placed in us. We look forward to a meaningful partnership and the impact we will create together.

We are proud to welcome Alulah Gold as a partner in our mission. Their generous sponsorship of special juice boxes for children undergoing palate repair surgeries are deeply appreciated. This added nutritional support is essential during the recovery period, and we are truly grateful for Alulah Gold's commitment to the well-being of our little ones.
