AWARENESS WALK 2026

In recognition of Cleft Lip and Palate Awareness Month in July, the Nampharm Foundation hosted a 5 km Awareness Walk, starting at Rhino Park Private Hospital. The walk brought together supporters and community members to raise awareness about cleft lip and palate conditions and the impact they can have on children and their families. It was a wonderful opportunity to unite around a meaningful cause, promote understanding and highlight the importance of access to treatment and comprehensive care for children born with cleft conditions. We are grateful to everyone who joined us and helped make the morning a positive and meaningful step towards raising awareness in our community.

STEPS FOR CLEFTS WALK AND RUN

The Nampharm Foundation's annual Steps for Clefts Walk & Run took place on 10 October at the Grove Mall of Namibia, bringing together participants of all ages for a morning of movement, community spirit and support for a meaningful cause. With both 5 km and timed 10 km routes, the event was a wonderful opportunity for the community to get involved and show their support for the Foundation's work in providing free cleft and facial surgery, along with holistic care, to children across Namibia. The event was a great success, made possible by the enthusiasm of our participants and the generous support of our sponsors, partners and volunteers. We extend our sincere thanks to everyone who contributed to making the day such a memorable one and for helping us continue changing smiles and changing futures.

IN LOVING MEMORY OF OUR PATRON, HER EXCELLENCY LADY PENEHUPIFO POHAMBA

It is with deep sadness that the Nampharm Foundation mourns the passing of our beloved Patron, Her Excellency Lady Penehupifo Pohamba.

Lady Pohamba was a valued part of the Foundation's journey, and we are deeply grateful for her compassion, dedication and unwavering support of our mission to transform the lives of children born with cleft conditions and their families. Her commitment to the well-being of others reflected the very heart of our work: bringing hope, restoring smiles and creating brighter futures for children across Namibia.

Although she is no longer with us, her legacy of compassion and service will live on in the lives she touched and the hope she helped bring to so many families. It was an honour to have had her as our Patron, and she will forever hold a special place in the Nampharm Foundation family.

We extend our heartfelt condolences to her family, loved ones and all those who had the privilege of knowing her. She will be remembered with deep gratitude, love and respect.

May her beautiful soul rest in eternal peace.
