APRIL 2023

2023 began on an excellent note. Another sponsor, NAMDIA, came on board with a commitment of N\$250 000 for 2023.

SOME SUCCESS STORIES

Some of our first patients from 2009, Joshua, Renee, Daveline and Naapopye, have now commenced with their orthodontic treatments which is the last stage of their procedures. Our journey with them has been amazing and we are grateful for the trust that their parents put in us and the doctors that have been involved from the beginning.
